PRESS RELEASE.

WORLD PEACE INITIATIVE AWARDS

05 / 08 / 2016

World Peace Initiative Foundation Awards are an opportunity to acknowledge, celebrate and recognise outstanding peace builders across the world for their excellence, innovation and brave risk-taking.

The nominees for the Awards will demonstrate their impact on people, the wider community and how their work practice provided these outcomes, by showing evidence of how their work has made positive impact on the lives of people, how their use of work skills that made the difference in the work, the potential of scaling of the nominees' work in other communities and evidence of the challenges that the nominees have to overcome in delivering their work.

There are two categories open to the general public:

International Peace Builder Award

For organizations or individuals, who believe that world peace is possible, that inner-peace is important for sustainable world peace and that peace starts from within.

The jury for the International Peace Builder Award is composed of [Dr. Michael Stern](#), member of the U.S. Agency for International Development (USAID) and the first president of the Peace Revolution Project; [Mr. Aya Goto](#), Senior Vice President of Global Peace Foundation International in the United States of America; [Elisa Laconich](#), Chief of Neurocognitive Rehabilitation and Neuropsychology at CERENIF; [Ping Ping Worakate](#), is the managing Director of World Peace Initiative Foundation and program Director of the Peace Revolution project; [Aya Chebbi](#), award winning Pan-African feminist and renowned blogger, also Executive Director of Peace Revolution Summit; [Kuldeep Singh](#), board member of Global Youth Peace Fest and India representative to CNRJ Paris and Chair of Awards Committee.

International Peace Blogger Award

For cyber influencers, who believe that world peace is possible through promoting inner peace and who are also willing to inspire others while sharing the power of inner peace using online tools.
